

DON'T LET SYMPTOMS FROM YOUR **ENLARGED PROSTATE** SLOW YOU DOWN

The UroLift[®] System is the only leading enlarged prostate procedure that does not require heating, cutting or destruction of prostate tissue.¹⁻⁷

For more information, ask your doctor today
or visit us at **UroLift.com**.

Most common side effects are temporary and can include discomfort when urinating, urgency, inability to control the urge, pelvic pain, and some blood in the urine. Rare side effects, including bleeding and infection, may lead to a serious outcome and may require intervention. Visit UroLift.com.
